SOUTH CAROLINA ARBORIST WORKSHOP

September 23, 2010

Harbison State Forest
Environmental Center
Columbia, South Carolina

Thursday, September 23, 2010

8:30 am—4:00 pm

Directions to:

***Harbison State Forest-Environmental
Education Center
5600 Broad River Rd
Columbia, SC 29212
(803) 896-8890***

To Environmental Education Center:

Take I-26 to Exit 103 (Harbison Blvd). Turn left at the light onto Harbison Blvd. Proceed until Harbison ends or 't's' with Broad River Road at a stop light. Turn right at the stop light and go through the next traffic light. Almost immediately after going through the light, turn left at the Harbison State Forest sign and onto the forest road.

To reach the Environmental Education Center, continue past the parking lot on your left and head straight (or slightly left) through the gate and onto the gravel road. Take the first right onto another gravel road—there will be a sign for the Environmental Education Center which is located at the top of the hill on the left.

Trees SC, formerly the South Carolina Urban and Community Forestry Council, is a non-profit organization that provides a forum

for the stewardship of our state's urban and community forests. These forests include all the trees in your community-tree lined roads, recreation areas and parks, neighborhoods, and commercial and private building sites. Taking care of the trees in these areas benefits the environmental, social and economic well-being of your community. For more information on Trees SC, please contact Karen Hauck, executive director, at karen@treessc.org or by phone at (843) 814-4620.

ISA (4.75), SAF and Pesticide continuing education credits will be available. Please contact our office for details on specific CEUs.
