Our Mission

Trees SC was founded in 1991 as a non-profit organization to provide a forum for the stewardship of South Carolina's urban and community forests through education, advocacy and networking.

Our Goals

- To extend the collective knowledge and awareness of the value, management and wise use of trees
- To facilitate information exchange concerning the management of urban and community forests
- To encourage citizens to take an active interest in the care and management of urban and community forests

Programs and Activities

Education: Each year, we host an annual conference that features national speakers on a variety of topics pertinent to urban forestry. We also conduct numerous educational workshops and seminars focused on specific topics and arboricultural practices.

Awards: Each year, we recognize individuals and organizations that make outstanding contributions to urban forestry in our state through the Golden Acorn Award, and our Heritage Tree Award recognizes a special tree that has a historical and/or cultural significance to a community.

Benefits of Membership

Help us spread the message of the importance of trees, celebrate our special trees in South Carolina, and be an advocate for urban and community forests. Trees SC members receive:

- Access to scholarships
- Our quarterly e-newsletter, *The Acorn*
- Discounted registration fees
- Networking opportunities
